Subject: Delphi v. NXP Semiconductors

Cynthia:

When we spoke in mid-January about NXP's "assumed contract" defense to Delphi's preference claim you said you would get back to me with a response though it might take several weeks. I'm now checking in once again to see if you have a response. Because our discussion was held at the court's direction to Delphi to hold such discussions with those asserting an "assumed contract" defense, I believe that timely response is warranted. Thank you.
